

Release of Photographic and Video Images

To the **Churchill Northern Science Centre (CNSC)** and its directors, officers, employees, representatives, and agents (collectively called the "Agents").

I hereby assign and transfer to the CNSC and the Agents, all rights, title, and interest whatsoever which I have in the photographs, motion picture, sound recordings or video footage which the CNSC or the Agents have taken of me or my child or ward (the "Participant").

I consent to the use by the CNSC and its Agents of the images, motion picture, sound recording or video footage for all purposes whatsoever, including, without limitation, for television, publication and any trade, advertising usage or stock sales, in perpetuity, worldwide.

I agree that all photographs, motion picture, sound recordings or video footage of the Participant, and all duplicates thereof, are the exclusive property of the CNSC, and that the CNSC may dispose of all or any of them in any manner whatsoever, without any accountability to me.

I hereby release the CNSC and the Agents from all actions, debts, accounts, claims, contracts and demands whatsoever, including, without limitation, any claim of my moral rights, which I or my heirs may have at any time as a result of the images, motion pictures, sound recordings or video footage, referenced to above, and any matter that may arise out of or in connection with the subject matter of this release.

I have read this Agreement and understand that it contains a promise not to sue the Churchill Northern Studies Centre or the Agents and that it constitutes a release of liability and an indemnity for all claims.

If the Participant is under the age of eighteen, I confirm that I am his or her parent or guardian and that I have executed the Agreement on behalf of the Participant.

This Agreement will be binding on myself or my child or ward, as the case may be, and our respective personal representatives, heirs, and assigns.
