

## Day Programs

# Churchill Northern Studies Centre

### The Centre

The Churchill Northern Studies Centre (CNSC) is an independent, non-profit research and education facility, located 23 km outside of Churchill, MB.

The CNSC facilitates scientific research and programming on the natural sciences and the environment in pursuit of its mission to understand and sustain the north.

No matter the season, guests enjoy a variety of immersive experiences in subarctic surroundings, all while benefiting from the CNSC's community atmosphere, which includes dorm-style bedrooms and a vibrant cafeteria, where researchers and visitors alike can mingle and share ideas.

-  On-site accommodations (up to 84 people)
-  Full service cafeteria
-  Five laboratories
-  Three classrooms
-  Audio-visual lounge
-  360° Aurora viewing dome
-  Fitness room
-  Outdoor viewing platform

### Itinerary Overview

This sample itinerary is four separate day programming options at the Churchill Northern Studies Centre. All meals and activities are included in the booking fee.

In this itinerary, featured activities include:

Green Building Tour	Tidal Walk (summer)
Current Research Talk	Malcolm Ramsay Trail Hike (Summer)
Ecology Walk	
Lunch at the CNSC	Subarctic Outdoor Adventure (winter)
Rocket Range	

Other activities may be available depending on the time of year and size of your group. All tours are subject to GST.

# Churchill Northern Studies Centre

## Day Programs

### Lunch in CNCS cafeteria (12pm-2pm)

\$21/person

### Green Building Tour (1 hour)

\$89 flat rate, \$10/person after 5 pax

*Enjoy a compelling journey through the CNCS's environmentally friendly 27,000 sq. ft. LEED-certified research station. Available all year round.*

### Rocket Range Tour (1 hour)

\$362 flat rate, \$20/person after 5 pax

*Take a guided tour of the Churchill Rocket Range National Historic Site – built in 1954 – and learn about its ties to the Canadian Space Agency and NASA. Available all year round.*

### Ecology Walk (1 hour)

\$352 flat rate, \$15/person after 5 pax

*Enjoy a guided walk around the CNCS property with our research staff to learn about several of our current research study sites, and why it's important to conduct research in the subarctic. Available in summer months.*

### Current Research Talk (1 hour)

\$184 flat rate, \$10/person after 5 pax

*Learn about the local ecology where three distinct eco-zones intersect and what makes the CNCS an optimal location for a research station. This dynamic presentation also includes an overview of some of the research projects currently being pursued at the Centre to help connect you to the critical subarctic science we support. Available all year round.*

### Subarctic Outdoor Adventure (1 hour)

\$460 base rate, \$44/person after 10 pax

*Spend your afternoon learning about snow science and participating in outdoor activities, such as igloo and inukshuit building. Available in the winter months*

### Ramsay Trail Hike (2 hours)

\$462 base rate, \$20/person after 5 pax

*Take a guided tour around Ramsay Lake trail to observe and understand the various species of flora and fauna in our unique environment, while passing by remaining rockets and materials from the neighbouring historic Rocket Research Range. Available in the summer months*

### Tidal Flats Walk (2 hours)

\$590 base rate, \$30/person after 7 pax

*Head to Bird Cove for an interpretive low tide walk and the chance to see local birds. Available in the summer months.*
